## The Engineering Honor Society

### Scholarship Program

**T**his is the 24th year that Tau Beta Pi will award and recognize members with funds in support of their senior year of undergraduate study. Last year, 261 scholarships were awarded from 392 applicants.

Scholarships are awarded on the basis of academic achievement, extracurricular activities, and the promise of substantial contributions to the engineering profession. Strong faculty recommendations are an integral component to the application.

Applications are welcome from members or candidates for membership who will be initiated by June 1. Recipients must be full-time undergraduate engineering students during 2022-23. Full-time students, graduating in the fall semester, are eligible for partial scholarships.

Instructions, FAQs, and the application are available at [www.tbp.org/?scholars](http://www.tbp.org/?scholars).

Scholarships will be announced in early July. Scholars will receive \$2,000 payable in two equal payments in mid-September and mid-January.

- Application **available** online beginning February 1.
- **Deadline is 11:59 P.M. EST April 1.**
- **Scholarships are restricted to initiated members planning to return to school for at least one semester of full-time undergraduate study.**
- **Each full-year award is \$2,000. Partial scholarships will be awarded \$1,000.**
- **Scholars returning for one semester will receive a single payment of \$1,000 in mid-September.**
